

Are you ready to turn your backyard into an outdoor oasis? JUST FOLLOW THIS 5 STEP PLAN!

Step 1. Choosing a Size

- What size is the area I am looking to cover? _____ ft by _____ ft
- What will I be using my outdoor space for?
Entertaining — Shade — Rain Shelter — Decorative — Other?
- How close to the house will it be located?
10ft or less — 20ft or more — Attached (Pergolas Only) — Other?

Step 2. Style and Options

- What material will my outdoor structure be made out of?
Wood (Choice of 6 stains or 2 paint colors)
Maintenance Free Vinyl (White, Clay, or Almond)
- Which style do I like best? Traditional, Hampton, Colonial Etc.
_____ Style: Gazebo — Pergola — Pavilion
- Do I want to add lighting or other accessories? _____

Step 3. Site Preparation

- Where is my outdoor structure going to be located?
Paver Patio — Concrete Pad — Deck — It's just grass right now — Other?
- Do I have a contractor to prepare my site?
(Ask us what is needed to prep the site.)

Step 4. Permits

- Do I need a permit for my structure?
(Call your township to find out.)
- Do I have an HOA?
If so, does my outdoor structure meet their requirements?

Step 5. Time Frame

- When do I want to enjoy my first meal or party in my new outdoor structure?
- When will my site be prepared for delivery or installation.
